

USER STORY CARD

Dhurandars

A grounded user insight card built from the current stored squad. This version blends real roster shape, ownership behavior, and one league personality note into a single visual story.

105**Domestic Identity**

This team mixes domestic and overseas picks rather than leaning into one side completely.

12**Differential Reputation**

This is not a template squad. Liam Livingstone is a solo hold for this squad; Rishabh Pant is backed by only 5 of 20 teams; Mitchell Marsh is backed by only 6 of 20 teams, which gives the team a reputation for backing unusual names before the rest of the pool follows.

MI**Squad Shape**

The squad is spread across 9 IPL teams, but the strongest concentration sits with MI (5 picks). Role-wise it stays batting-heavy with 6 batters, 7 bowlers, 2 wicketkeepers, and 5 all-rounders.

Personal Note

The sanskari one in the team, otherwise known as Asaram Kumar, somehow carries a team name that feels completely offbeat for his personality. Recently married, this squad might just as easily have been called Biwi Approved Dhurandhar.
