

USER STORY CARD

Duckworth Lewis

A grounded user insight card built from the current stored squad. This version blends real roster shape, ownership behavior, and one league personality note into a single visual story.

224

Domestic Identity

This team mixes domestic and overseas picks rather than leaning into one side completely.

16

Squad Shape

The squad is spread across 10 IPL teams, but the strongest concentration sits with GT (3 picks). Role-wise it stays batting-heavy with 7 batters, 6 bowlers, 2 wicketkeepers, and 5 all-rounders.

GT

Differential Reputation

This is not a template squad. Mohammad Shami is a solo hold for this squad; Khaleel Ahmed is backed by only 2 of 20 teams; Rinku Singh is backed by only 4 of 20 teams, which gives the team a reputation for backing unusual names before the rest of the pool follows.

Personal Note

Yet another team that probably deserves to be renamed Duckworth Lewis courtesy Dhaval. Otherwise known as Montu, he has been a sport in every event and also happens to be a November-born birthday twin of the organizer.
