

MKM

USER STORY CARD

Madhavi k Mastane

A grounded user insight card built from the current stored squad. This version blends real roster shape, ownership behavior, and one league personality note into a single visual story.

0

Domestic Identity

This team mixes domestic and overseas picks rather than leaning into one side completely.

15

KKR

Squad Shape

The squad is spread across 10 IPL teams, but the strongest concentration sits with KKR (4 picks). Role-wise it stays batting-heavy with 8 batters, 6 bowlers, 3 wicketkeepers, and 3 all-rounders.

Differential Reputation

This is not a template squad. Rachin Ravindra is a solo hold for this squad; Rahul Tewatia is a solo hold for this squad; David Miller is backed by only 2 of 20 teams, which gives the team a reputation for backing unusual names before the rest of the pool follows.

Personal Note

The full name might really be Madhavi ke Mastane, courtesy Kunal. Our very own Jain bahu with the superpower of taking naps anywhere has a history of missing predictions, so hopefully she does not lose points on that front this time.
