

USER STORY CARD

Murgichor XI

A grounded user insight card built from the current stored squad. This version blends real roster shape, ownership behavior, and one league personality note into a single visual story.

0

Domestic Identity
All 20 selections are domestic. Murgichor XI has gone fully local with zero overseas names in the active squad.

20

Differential Reputation
This is not a template squad. Riyan Parag is a solo hold for this squad; Rajat Patidar is backed by only 2 of 20 teams; Tilak Varma is backed by only 3 of 20 teams, which gives the team a reputation for backing unusual names before the rest of the pool follows.

GT

Squad Shape
The squad is spread across 8 IPL teams, but the strongest concentration sits with GT (4 picks). Role-wise it stays batting-heavy with 9 batters, 6 bowlers, 3 wicketkeepers, and 2 all-rounders.

Personal Note
Otherwise known as Bengal Bewdas and earlier seen in the league as Pandas Puchuks, this team has been a proud organizer helping carry the legacy of IFL for CVD2.
